#### Scope of Work:

- **Front-End**
  - Need customized Website with clean design and categories product pages.
  - Need all categories landing page.i.e.Nationla level program, state level programs, etc.
  - Need complete dynamic website.
  - We need simple web booking form .like we want by default data come from membership database i.e. name, address, email, etc.
  - Need simple membership and adventure programs form on index.
  - User will be able to apply for membership by filling membership form.
  - After filling all the details User will be able to upload photo, signature and address proof document.
  - After proceed, user will be able to make online payment
  - User will receive a confirmation Mail & SMS on their registered mobile no.
  - User will be able to download membership card by filling form details like membership no., Transaction No, Date of Birth.
  - User will be able to apply for programs by clicking on book now button
  - User will able to see programs details and apply for booking programs
  - By filling booking form, making online payment, and user will be book there seat.
  - If user will not be able to join the program, user can also apply for cancelation by selecting programs and filling form.
  - website compatible with all browsers
  - Fully responsive website, compatible with all mobile.
  - Property signup option in front end
  - Bulk booking in adventure programs
  -

➤ **Form.**

- User will be able to check there refund status
- User will be able to apply for admit card by selecting programs and filling form.
- User will be able to apply for hostel cancellation.

➤ **Back-End:**

- Login
- Dashboard
- Admin can manage User form
- Admin can manage banners
- Admin can manage complete website i.e change, edit, delete, create any new category
- Admin can manage programs
- Admin can manage media section (Add, edit delete)
- All form data will store in admin database.
- Admin can manage bulk adventure booking form.

➤ **Promotion activity in backend :-**

- Need promotion activity like Meta, keywords, description , Google webmaster
- Google Analytics on all pages
- Need blank filed in backend to put any other code in website footer as well as header.

➤ **Futures plans**

- Reviews options in Adventures programs through mobile app and feedback application.
- Adventure programs Inventory integration with third party booking .i.e. bookmyshow, paytm etc.

## **Membership Document**

Membership is usually based on source types as mentioned below. Also it is generated at 5 levels i.e. National Office, State Offices, Units, Licensee Youth Hostels and Government Youth Hostels. Out of these we have provided Logins to National Office employees as well as States to generate and print membership at respective state.

**National** : National here means National Office as primary source of application. Receipt is generated at National Office. State and Unit will be treated as second & third source respectively.

**State** : If primary source selected as State, it means receipt is generated at State Office. Here primary source is State, secondary will be National and third will be Unit if it exists.

**Unit** : If primary source is selected as Unit, It means receipt is generated at Unit. Here primary source will be Unit, secondary will be State and thirdly National.

**LYH (Licensee Youth Hostel)** : If primary source is LYH, here receipt is generated at LYH. Primary source will be LYH and secondary will be National.

**GYH (Govt. Youth Hostels)** : If primary source is LYH, here receipt is generated at GYH. Primary source will be GYH and secondary will be National.

## **Individual Membership**

Individual membership is walk in membership at National Office. Here source will be selected as National but options of selecting other source should be kept as well. Here individual form will be entered. Membership number will be generated after payment.

- Merchandise items can be issued with individual membership at the time of issuing final payment receipt.
- Here Institutional membership will also be clubbed.

## **Bulk Membership**

Bulk membership is treated as a bunch of membership forms clubbed together sent by state branches. Here transaction is made with the details of total DD sent by state branch. Under this transaction all the forms will be entered individually. Membership number will be generated after entering form with complete details and documents.

- Merchandise items can be issued with individual membership at the time of issuing final payment receipt.
- Here Institutional membership will also be clubbed.

## **Credit Master**

Credit Master is used for state logins, here we credit the amount in state logins. This amount is used by the state to generate memberships at their state offices. Also we define debit limit manually for the state branch based on their credibility to generate memberships.

### **Blank Cards**

Blank cards are the cards issued to state branches with membership number. Member details will be entered once state branches will send membership forms along with documents.

### **Membership Pricing**

Membership pricing is defined as the membership rates as well their bifurcation defined one time till the pricing changes. Here we have the option of adding any additional tax of charge on membership rates.

### **Membership Types**

Membership types is existing membership of YHAI. Here scope of adding or deleting new or old memberships.

### **Merchandise Items**

Merchandise items does not only includes merchandise items, it also includes other charges like Postage, Duplicate PVC, Card payment Bank Charges.

### **Unit**

Unit tab is used for adding, updating, deleting units. Here addition, edition, deletion of LYH, GYH option is also required.

### **Sell Merchandise**

Sell merchandise is used for selling duplicate PVC, sell merchandise items without membership.

### **Share Detail**

Share details is used for defining shares according to source selection.

### **Code & Share Calculation**

Scenarios for Online membership generated through Website & Mobile app. Coding and share calculation

- If a person applies online and select for a particular city where unit exists, then coding will be given to unit and sharing will be divided as below:

- National : 50%
- State : 25%
- Unit : 25%

- If a person applies online and selects a city where unit does not exist, then coding will be given to state and sharing will be divided as below:

- National : 50%
- State : 50%
- Unit : 0%

- If a person applies online and select for a particular city where state or unit does not exists, then coding will be given to National and share will be divided as below:

- National : 100%

### **Scenarios for Offline Process**

Coding and sharing will be defined with respect to Receipt issued.

- If a person applies offline through Unit then, unit coding will be given and share will be divided as below:

- Unit : 50%
- National : 25%
- State : 25%

- If a person applies through State then only state coding will be given and share will be divided as below:

- State : 50%
- National : 50%

### **Licensee Youth Hostels**

LYH coding will be given and share will be divided as per below:

- LYH : 50%
- National : 50%

### **Government Youth Hostels**

GYH coding will be given and share will be divided as per below:

- LYH : 50%
- National : 50%

### **Need Reports as per requirement**
